A friend to rely on

## SLINKY

### Touchless Dispenser

Fighting with N-COV | Protect yourself | Care for others

IR induction, **Touch free**, enjoy healthy life

IR detection

Sexy waspish shape

Touch switch

Convenient hand washing and sterilization

Design Regd.

Certified:

IATF 16949

ISO 13485: 2016

[www.higenie.jsg.asia](http://www.higenie.jsg.asia)

**Smart induction spraying, non-contact,  
hygienic and healthy,  
prevent secondary pollution**

When in proximity to the sensing area, the machine sprays automatically without touching. The sensing distance is 3 to 5 cm.

0.255 seconds quick response

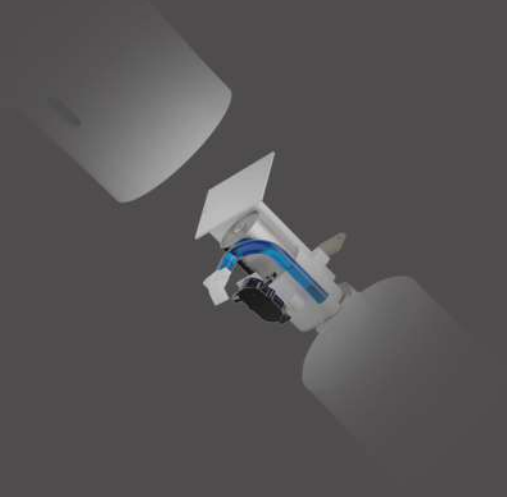

Near infrared sensing

**Noiseless, low power consumption,  
long time operation**

Uses micro high-efficiency motor

**Scientific and reasonable liquid output,  
saving consumption, avoiding wastage**

Reasonable capacity

Spray delicate

500 ml capacity design, suitable for home office and other scenarios, spray delicate, covers all disinfection areas and saves consumption.

### Strong oxidizing disinfectant, one machine solution

The HG-001 table top sanitiser dispenser's pumps and sealing rings are designed and engineered to prevent any oxidation expansion. This ensures that the alcohol and the disinfectant in the sanitiser liquid are always potent to kill virus or bacterias.

### Suitable for multiple scenarios

 Restaurants	 Cinema Halls	 Schools & Colleges
 Banks	 Shopping Mall	 Hospitals
 Airports	 Railway Stations	 Public Toilets
 Petrol Pumps	 Offices	 Public Places

## Diagonal design for more affinity

Angle 30 degrees, waist down, reach out without touching the device

More affinity

Bionics design

Anti-contact bottle body

## Sexy waspish design

Antiskid, better touch feeling and stable

## Color Options Product Parameters

Product name: SLINKY

Product model: HG-001

Option color: White, Rose Gold

Product Size: 162\*102\*210 MM

HG-001W  
(White)

HG-001P  
(Rose Gold)

Designed & Manufactured By:

**4S Synergies Pvt. Ltd.**

Plot No.-52, Sec.-53, Phase-V, HSIIDC Ind. Estate, Kundli, Sonapat, Haryana-131028(INDIA)
